

# Request for Emergency Relief Funds

The Coronavirus outbreak has interrupted on-campus instruction at Wilson College and may have caused a financial emergency for students. Funds may now be needed to assist with such expenses as food, housing, course material, technology, health care and childcare. The federal CARES Act has made funds available for Wilson students.

Students must be Title IV eligible to be considered for these emergency funds which generally is determined when a FAFSA is filed. All applications will be reviewed by a committee and priority will be given to students who have not previously received emergency relief funds.
