Please print legibly using a black or blue ink pen. Your student's financial aid award notification will provide the recommended Federal Direct PLUS Loan amount; however, you may choose to apply for a lesser amount if you have other means with which to fund your student's educational expenses. The lender is the U.S. Department of Education. Please remember to sign this form prior to submitting it to the Financial Aid Office at Wilson College. You can mail, fax or scan and email the form to us using the information at the bottom of the page.

Parents who have borrowed previously from the Federal PLUS or Federal Direct PLUS programs will be asked to complete this form as a way to confirm the amount of loan assistance that they would like to have processed.

If you are denied due to adverse credit, would you like your student to receive the extra unsubsidized loan? ___ Yes ___ No

I consent to the U.S. Department of Education and its agents obtaining a report of my credit record and using the information from that report in determining whether to make a Direct PLUS Loan to me. I understand that I will be notified in writing of the results of the credit check with respect to my loan application. To receive the Federal Direct PLUS Loan, I still must complete and submit a Federal Direct PLUS Master Promissory Note MPN and can do so at www.studentloans.gov.
